

USDF Instructor Certification Workshops

The CTDA and Pioneer Valley Stables will host all three Instructor certification workshops and a pre-certification in early 2008!

If possible, and enough interest, a testing will also be scheduled.

The first workshop is set for March 22 & 23 and will be the Advance Instructor/Trainer Riding Workshop: Training-Second Level.

The Teaching workshop will follow on April 12 & 13, and the Lunging Workshop is scheduled for May 3 & 4.

The workshops are a wonderful education for those attending as participants wanting to test and be certified, those participating just for hands on educational experience, and for those attending as auditors as well! A LOT of good information in a fun atmosphere.

USDF University credits are also available for all attendees.

All of the workshops will be held at Pioneer Valley Stables Riding School in Auburntown TN. It is approximately fifty minutes from the Nashville airport and eighteen miles east of Murfreesboro.
